The course must be preceded or accompanied by the seminary in Labor Organization or Industrial Organization or the equivalent, and by the seminary in Social Economy, including the Practicum in Industrial Supervision and Personnel Administration. Advanced Statistics, Miss Boone. Two hours a week throughout the year. (Given in each year.) This course attempts to study intensively the subjects of correlation and causation, or the functional relationships between series of facts. The main considerations of the course are the method of least squares, the theory of linear correlation, skew distribution, partial correlation, and the theory of contingency. The course must be preceded by the course in Elements of Statistics or its equivalent, and a foundation in mathematics including the Calculus is desirable to facilitate ease in comprehension. If accompanied by the Special Research in Statistics the course becomes equivalent to a seminary. Special Research in Statistics, Miss Boone. Seven hours of laboratory work a week throughout the year. (Given in each year.) This course including laboratory analysis and reports is offered in each year in connection with the course in Advanced Statistics and the two courses taken together are equivalent to a seminary. Community Organization, Mrs. White. Two hours a week throughout the year. (Given in each year.) The theory upon which community work is based and the technique used in...
