As in the natural world wisdom and intelligence are among the signs of life in an intelligent being, so in the spiritual world a spiritual understanding follows on the possession of spiritual life. As the Divine Spirit gives life, so He inspires wisdom. Indeed all spiritual gifts flow equally from the same Spirit. St. Paul says that there are diversities of gifts, but the same Spirit, who gives to one the word of wisdom, to another the word of knowledge, to another faith, to another miracles and gifts of healing, to another prophecy, to another divers kinds of tongues, to another the interpretation of tongues. So he describes the influence of that one and the self-same Spirit on the early disciples in the Church of Corinth.
