Reviews

A whole new e book with an all new point of view. It is one of the most incredible book i actually have go through. I am easily could possibly get a enjoyment of reading through a written book.
(Nathanael Treutel)

123 CATERPILLAR

Abbeville. 1 Board Book(s), 1997. soft. Book Condition: New. Drawn in bold lines and bright colors by French painter and graphic artist Calino, this accordion-style board book is full of lift-the-flap surprises for prereaders. On one side, a long, wiggly caterpillar unfolds with 10 numbered segments that open to show countable items (8 spider legs, for example, or 9 ladybug spots, or 10 fingers) with the name of the number written out. On the other side, a train rumbles along with countable cargo (1 teddy bear, 2 trucks, 3 cows). Fun on a table, bed, or floor, the book opens out to nearly six feet long, yet it can be read two pages at a time, like a regular book, and it tucks away neatly into its compact slipcase. 1997.
