This ever-evolving digital world has introduced humankind to numerous useful and unimaginable technologies. One such technology that has gained immense popularity in the recent past is podcasting. If you are aware about the latest happenings in the technology field, then the probability that you would have heard this term several times is rather high. However, the lack of material and awareness about the technology deters its audience to use its power to its full capacity.This book begins with a brief introduction about podcasting and how it has grown, over the years, to become what it is today. Podcasting is immensely lucrative, and most people are attracted towards this technology for this very reason. However, most people question if they are eligible and skilful...
