

Knowing for Yourself: Genesis 1 and Science on the History of the Earth (Paperback)

By Charles Kenknight

AUTHORHOUSE, United States, 2004. Paperback. Book Condition: New. 223 x 152 mm. Language: English Brand New Book ***** Print on Demand *****. How have we come to be here? Curiosity about our past blossoms in every mind, especially in the minds of those who have had a small exposure to the study of science. Yet technology and science keep on changing. How much patience do you have with someone who hesitates to fly because flying is dangerous? Would you bother to attend a technical college where every book was printed before 1920? What can you trust that is said to be science? Could you find your own ways to learn about our past? Could you look more closely at things in your environment and make estimates of how old things are around you? If you understood more things about our past, do you suppose that you might be better prepared to think about what looms in our future? The author believes in you. He has prepared 8 chapters intended to guide you through observations that you can make on things around you, things that are trying to tell you about our history. From tell-tale mounds of dirt along a...
