A brilliant theoretical and experimental German physicist has clandestinely discovered the secret of nuclear energy and the nuclear bomb. No other physicist has come close to this realization. The German physicist is prepared to deliver this secret to his Fuehrer and assure him control of the world. Who is this physicist? How can he be stopped? The intelligence services of two countries combine in an effort to disrupt the physicist s efforts. There is one chance. Time is of the essence. What is there about the physicist s past that can be utilized to try and prevent this threat to the world? Will it succeed? The future of the world hangs in the balance.
