Principles of Accounts for CSEC Examinations (3rd Revised edition)

By Gaynelle Holdip, Cecelia Lamorell

Macmillan Education. Paperback. Book Condition: new. BRAND NEW, Principles of Accounts for CSEC Examinations (3rd Revised edition), Gaynelle Holdip, Cecelia Lamorell, "Principles of Accounts for CSEC[registered] Examinations" is one of a series of books written especially for students studying for CSEC[registered] examinations. The authors are all highly experienced teachers in Caribbean schools. This books have been designed to make it easy to study a whole topic, or to seek out answers to specific problems. This book can be used by individual students and teachers, or as a reference source for group work: written for the latest CSEC[registered] syllabus; learning objectives stated for each chapter; keywords highlighted in the margins form a glossary; diagrams and pictures encourage understanding; and, In-Text-Questions encourage students to check their understanding as they read. Multiple-choice questions and examination-style questions are included for review purposes. It also includes advice and field work guidance for the SBA component.

Reviews

This written book is great. I am quite late in start reading this one, but better then never. You will not really feel monotony at at any moment of your time (that's what catalogues are for about when you check with me).
