The Joy-Filled Life: Secrets to Living Well from Philippians (Paperback)

By Glenn R Power

Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****. Books about the pursuit of happiness have been popular in almost every generation at least since the rise of Greek philosophy. Perhaps especially so right now. We were born with an innate hunger for the joy-filled life. So why don't more people experience it? Sometimes the people who have it all - the Hollywood stars, the rich and famous, the corporate executives - are the most miserable. In The Joy-Filled Life: Secrets to Living Well From Philippians, Glenn Power takes you on a journey back in time to gather wisdom from one who did, in fact, find happiness. However, the way is different than one might expect. With the inspired wisdom of the Apostle Paul found in the Bible, The Joy-Filled Life breathes clarity on some of the deepest longings of our heart. In reading it, one goes from searching to finding, and from finding to rejoicing. The way is narrow, and few find it, said Jesus, but there is a pathway to the life we want.
