Brand New Book ***** Print on Demand *****.This book contains the best quotes about Atlanta. In the early 1970s in Atlanta, I attended what had formerly been an all-white school but had become a black school after integration and white flight. Perhaps because of this, the teachers created a curriculum that included a focus on African American literature and history year-round, not just in February. Natasha Trethewey The peculiar fascination which the South held over my imagination and my limited capital decided me in favor of Atlanta University; so about the last of September I bade farewell to the friends and scenes of my boyhood and boarded a train for the South. James Weldon Johnson Thank you. Real Housewives of Atlanta, for demonstrating a universal truth: Idiots like me will always watch idiots like you fight on TV. You will forever be in my TiVo. Jimmy Fallon I ve actually performed at Gay Pride in Atlanta three times in my career. I ve always had a large gay following, particularly in the lesbian community. I am grateful for that. To me, it means my music transcends categories. It also means that I m a cute girl singing a rock song in an alto voice! Jennifer Nettles.
