Does Love Cover, THAT: The Healing Process of the Fruit of the Spirit was birthed out of a vacation bible school adult class that I taught at LaMott AME Church under the leadership of Pastor Keith Hayward. The concept of blending how we love with how we cultivate our fruit has been a life changing component to our spiritual journey. The premise for this book is to draw the believer into a love relationship with God, their neighbor, and themselves. Love is that which connects us to God. Love is the reason that we were created and love is how we should live, move, and have our being. The Bible makes it clear that the believer is known by their love. Love is what we do and our fruit is how we do what we do. This workbook helps those who have read the book, work through the four stages that our fruit goes through as we encounter non-loving experiences in our lives. The Four Stages Are: Good Fruit, Bruised Fruit, Sour Fruit, and Unripe Fruit. Allow the Spirit of God to heal you as you internalize the principles that you will find in this workbook. The workbook is designed to be used individually or as a Bible study. Rev. Dr. AShellarien Anthony serves as a Pediatric and Adult Chaplain for Delaware Hospice. She is an adjunct professor at Harcum College and an Instructor and 4th year advisor at City Wide Interdenominational Christian Training Institute.
