

E-Z Physics (4th edition)

By Robert L. Lehrman

Barron's Educational Series Inc., U.S. Paperback. Book Condition: new. BRAND NEW, E-Z Physics (4th edition), Robert L. Lehrman, Barron's "E-Z" books are self-help manuals focused to improve students' grades in a wide variety of academic and practical subjects. For most subjects, the level of difficulty ranges between high school and college - 101 standards. Although primarily designed as self-teaching manuals, these books are also preferred by many teachers as classroom supplements - and for some courses, as main textbooks. "E-Z" books review their subjects in detail, and feature both short quizzes and longer tests with answers to help students gauge their learning progress. Subject heads and key phrases are set in a second colour as an easy reference aid. Topics of this title include motion, forces, energy, heat, wave motion, noise and music, electricity, magnetism, electromagnetic waves, the properties of light, and an introduction to nuclear physics.

Reviews

This publication may be really worth a go through, and a lot better than other. It really is full of knowledge and wisdom. Its been printed in an exceptionally easy way in fact it is simply after i finished reading this publication by which basically modified me, affect the way i really believe.

-- **Troy Dietrich DDS**

This composed book is wonderful. It is amongst the most awesome book i actually have read through. You will like the way the author create this publication.

-- **Miss Fanny Osinski V**
