I could not suppose that anything was desired or expected from me. I will not occupy the time of the Association in the reiteration of facts already known to you. Dr. Friedrichs s report contained nothing special in reference to dental hygiene, and I do not know that there is anything new to be said upon that subject. Cleanliness is most essential to hygiene--cleanliness of the person, cleanliness of the premises, cleanliness in all things pertaining to ourselves, to our work, to our surroundings. Cleanliness certainly holds the first place in the science of hygiene. Those of us who have had dyspepsia will realize the importance of what Dr. Friedrichs said in regard to the hygiene of food, but in this respect no laws can be laid down. Food must be selected according to the individual constitution. One person can eat sweet things...
