Society Technology and Development

By O.N. Wakhlu

B.R. Publishing Corporation, 1984. Hardcover. Book Condition: New. First edition. The book is a vividly written collection of essays, and lectures delivered by the author Prof. Dr. On.N. Wakhlu over the years on topic related to science, technology and development of society. The essays portray lucidly the author's views on a range of topics in a logical and comprehensive style. His thoughts emanate from his deep conviction over a long period of varied professional experience as an engineering consultant, educator, administrator, and mentor to hundreds of engineering students over a period of three decades. Various problems arising as a result of science-society interaction have been deeply delved into, and passed through the sieve of personal experience of the author, thereby providing food for thought for all those who are interested in the dynamics of social change, and scientific and technological development. The contents of the book will enable the readers to perceive the inevitable link between purely technical studies and the subject matter of humanities. Being the essence of the 'felt experience' of the author, the book establishes instant report with the reader. The essays in the book provide a very interesting and penetrating study of the subject, and will...
