Lulu.com, United Kingdom, 2010. Paperback. Book Condition: New. 226 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****. After almost 20 years of working with young people and finance both in banking and as a teacher, I found that teenagers aren't getting useful financial education. This book is the first step on the path of teaching teens and young adults the skills that they will need throughout their lives. Not a get-rich-quick book, this isn't even about getting rich. Instead, Finance For Youth: This Book covers basic, time-tested strategies like: -Getting and keeping a job-Choices in financial institutions-Making a budget based on priorities-Getting a car-Living on your own for the first time, and much more! Since our schools either cannot or will not teach financial literacy, Finance For Youth has stepped in to give parents, teens, young adults, and those who might need a little nudge in the right direction an alternative based on experience and authority in the subject.
