NEW GOVERNANCE PARADIGM

2008. Hardcover. Book Condition: New. 396 Globalization is one of the most debated concepts in contemporary discussions in the domain of development. The emerging paradigm of governance in the area of globalization reframes the roles of institutions of state, market and civil society. This involves questioning of the erstwhile dominant role of other institutions. Weakening and erosion of major modern institutions of governance such as legislature, bureaucracy and judiciary in third world reflects the growing governance crisis. Social tension and...
