Createspace, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Herbert E. Bolton (1870-1953) was a distinguished historian who received a bachelor s degree from the University of Wisconsin and a PhD from the University of Pennsylvania in 1899. He was a Harrison Fellow while at Pennsylvania. Bolton quickly became an expert on Spanish colonies in the New World. Professor Bolton began his pioneering work on the Spanish Borderlands-an area that begins in Florida and extends along a crescent shaped land mass between Georgia and California-as a professor at UT Austin. Starting in 1902, he undertook several research trips to Mexico to examine archival materials relating to the United States. His first significant publication was a textbook coauthored with Eugene C. Barker, *With the Makers of Texas: A Source Reader in Texas History* (1904). After studying the history of native peoples in Texas for the United States Bureau of Ethnology, he wrote more than 100 articles for the *Handbook of American Indians North of Mexico*. He continued to publish works about Texas after he left the region for California. Among these were *Athanase de Mezieres and the Louisiana-Texas Frontier, 1768-1780* (1914) and *Texas in the Middle Eighteenth Century: Studies in Spanish Colonial History and Administration* (1915). Professor Bolton s research resulted in nearly 100 works, including approximately 24 books he either wrote or edited. In 1920, Bolton published *The Spanish Borderlands*, a comprehensive overview of the young United States border with colonies still held by Spain at the beginning of the 19th century.
