Ecological Application essays appearing at the end of the texts six parts, show students the real-world relevance of the ecological concepts they have learned. For instance, "Part V: Ecosystems" discusses the ecological problems caused by the American obsession with green lawns. *UPDATED! Chapter 26, Global Environmental Change, has been significantly revised to include research on current issues and includes new updated references. *NEW! The Elements of Ecology Companion Website features art and photos from the text and student resources such as ecology Web links. Allows instructors to offer on-line quizzing, create individualized syllabi, conduct threaded discussion groups, and administer on-line content. *Unique modular format. With complete concept statements at the beginning of each module, the text helps students focus on core concepts by dividing chapter material into manageable amounts of information. *Dynamic four-color art engages and maintains students interest. *The texts clear descriptive approach helps students to understand and appreciate ecology without overwhelming them with excessive amounts of quantitative information. *Pedagogy increases student retention 567 pp. Englisch.

Reviews

This publication is really gripping and exciting. It really is basic but unexpected situations in the 50 % in the book. It is extremely difficult to leave it before concluding, once you begin to read the book.
-- Prof. Salvador Lynch

The best pdf i possibly go through. it was writtern quite properly and useful. Once you begin to read the book, it is extremely difficult to leave it before concluding.
