Brand New Book ***** Print on Demand *****.Excerpt from Sketches of Liberia: Comprising a Brief Account of the Geography, Climate, Productions, and Diseases, of the Republic of Liberia A decided conviction of the necessity of a work in which the earnest inquirer may find the principal topics of Information, which he may desire, respecting the Republic of Liberia, is the motive which has induced the author of these sketches to consent to their publication. His long residence in Liberia, and the great care with which he endeavored to make observations, and to acquire information from the most authentic sources, embolden him to believe that these sketches, presented as they are with the utmost ingenuousness, are worthy the candid consideration of all who desire a knowledge of the truth, respecting the condition and prospects of the little African Republic. Though they may possibly contain some slight inaccuracies, yet the author believes that a more truthful, comprehensive, and impartial account of matters and things as they really exist in Liberia, has not been given to the public. And with no other motive in view than a desire to impart needful and correct information, he leaves this little work to the candid perusal of the unbiassed reader; in the hope that some good may result from this part of his labors in the cause of humanity. It was his design at first to preface these sketches with an outline of the history of Liberia, but fearing that this would too greatly swell the size of this pamphlet, he has concluded to omit all historical details, and to present a simple and concise account of Liberia as it is. It may not be amiss, however, to state briefly,...
