University Of Chicago Press. Paperback. Book Condition: New. Paperback. 272 pages. Is a career as a professor the right choice for you If you are a graduate student, how can you clear the hurdles successfully and position yourself for academic employment Whats the best way to prepare for a job interview, and how can you maximize your chances of landing a job that suits you What happens if you dont receive an offer How does the tenure process work, and how do faculty members cope with the multiple and conflicting day-to-day demandsWith a perpetually tight job market in the traditional academic fields, the road to an academic career for many aspiring scholars will often be a rocky and frustrating one. Where can they turn for good, frank answers to their questions Here, three distinguished scholarswith more than 75 years of combined experience talk openly about whats good and whats not so good about academia, as a place to work and a way of life. Written as an informal conversation among colleagues, the book is packed with inside informationabout finding a mentor, avoiding pitfalls when writing a dissertation, negotiating the job listings, and much more. The three authors distinctive opinions and strategies offer the reader multiple perspectives on typical problems. With rare candor and insight, they talk about such tough issues as departmental politics, dual-career marriages, and sexual harassment. Rounding out the discussion are short essays that offer the inside track on financing graduate education, publishing the first book, and leaving academia for the corporate world. This helpful guide is for anyone who has ever wondered what the fascinating and challenging world of academia might hold in store.
