Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Forever in My Heart.A Journal for Foster Pup Families has been lovingly created for the angels in our midst who have dedicated their lives to opening their doors and their hearts, welcoming puppies and dogs who have been abandoned or are homeless, ill or injured and giving them a second chance at a life filled with hugs and happiness. While every dog you foster steals a little piece of your heart when he or she wags his or her tail for the very last time before walking away with his or her new family, you now have an opportunity to record all the moments--however brief--that you shared with this special pup. Keeping a fostering journal has benefits that are two-fold: You can create a remembrance keepsake, complete with photographs, for each dog you have cared for, while preparing a written record of need-to-know details that you can copy and share with the pup s new family. With plenty of room to jot down vital information--including veterinary visits and vaccinations, all of your pup s favorites (foods, treats, toys and places to sleep), special moments you have shared, facts about your pup s new family and so much more--Forever in My Heart offers an easy-to-use format to record all the specifics and the heartwarming experiences you will want to remember for 10 foster pups that have been part of your family, even if only for a very short time. Buy a copy for yourself, or give this journal as a gift.the memories recorded within promise to be priceless and will warm hearts for years to come!.
