Lucy is just a young girl when her parents are sold off the plantation where her family lives. Oh, how she wishes things could be different. One day Lucy s older brother, Albert, comes home with something that can make a difference a sack of quilts. The quilts are part of a secret code, and each different pattern gives important information to slaves planning to escape on the Underground Railroad. When Albert is caught one night helping the runaways, he too must flee, leaving Lucy behind. As he disappears into the darkness, Lucy fears she will never see her brother again.Set during the years before the Civil War, THE SECRET TO FREEDOM is a testament to the enduring bond of family and a celebration of the human spirit. It is a story of triumph over adversity during a difficult chapter in our country s past. An Author s Note further explains the Underground Railroad quilt code.
