Resource Publications (CA), United States, 2015. Paperback. Book Condition: New. 226 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****. Grace. Do we really comprehend the implications of that small, one-syllable word? Do we realize how much we have been graced? More importantly, do we understand how God intends us to use that grace throughout the world? Everyone, no matter their location, time of life, or economic circumstances, has been graced greatly by God, and that can be a difficult thing for us to grasp in our more-is-better American culture. We want to believe that we haven't really been graced until we have more of this or enough of that. In this book, Dr. Wallace Webster delves into the mystery of grace. We learn that grace isn't just something conveyed on a favored few; God lavishes it on all of us in ways we may not even realize. We see how those with the least often understand that they have been graced the most. And we learn that we, as citizens of Christ's kingdom, have the great privilege of spreading that grace throughout the world in many amazing ways. Dr. Wallace Webster has captured the essence of grace in the Christian faith. One dimension of our faith journey is certainly to understand all that God has given us and how He has blessed us. But then he takes it to the next critical step and tells us how we need to embrace God's grace. This book challenges us to . . . be fully engaged with this grace . . . and calls us to be a communicator and conduit of this grace. --Josh D. McDowell, Author-Communicator Comprehensive, practical, balanced, accurate, enlightening, encouraging, and EMPOWERING! Graced 2 Grace is a powerful reminder...
